Introducing the SignLink Split Batten Range

Innovation.

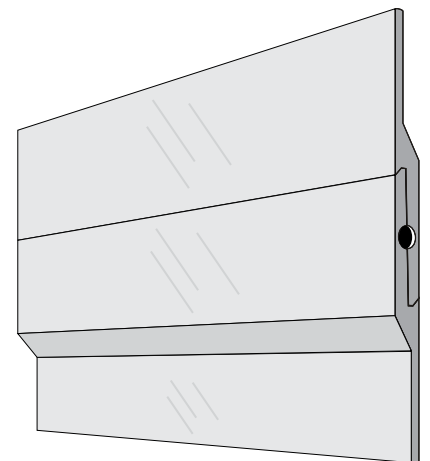

Our products were developed following many years of experience in the architectural sign industry. Through this experience, we saw a need for a series of flexible sign systems that could be easily changed and updated as required.

Accordingly we have developed the SignLink Split Batten range which provides an ideal mounting mechanism for a wide range of wall mounted items. These include but not limited to: decorative timber-panels, cabinets, mirrors, signage, shelving and joinery products.

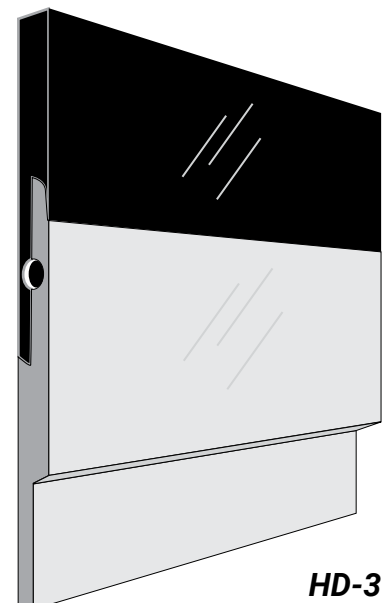

A major benefit of the SignLink Split Batten system is the advantage of being able to readily hang and remove heavy items without causing undue wall damage.

HD-3

Benefits.

SignLink Split Battens are all aluminium robust extrusions, capable of supporting heavy items. The benefits of these innovative systems are;

- Allows installation to be done with the minimal of manpower and time;
- Minimises the mounting distance off wall;
- Shadowline reduced;
- Weather resistant characteristics of the aluminium makes the SignLink Split Batten system suitable for both internal and external use;
- Secure hanging systems allow items to be removable or permanently fixed preventing theft.

Toxicological Information.

Cutting MDF requires numerous pieces of safety equipment due to possible exposure to dangerous elements including; wood dust, formaldehyde & paraffin wax. Such exposure is known to cause damage to skin, eyes and respiratory system. Our aluminium system have no toxicological effects.

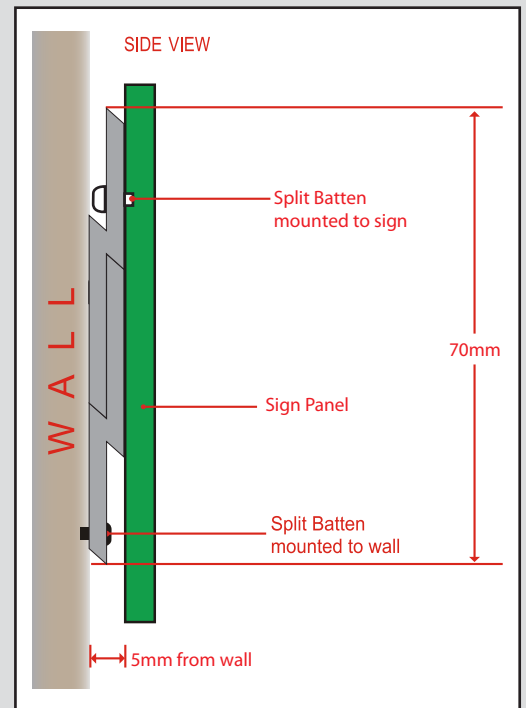

Overview.

SignLink aluminium LB Split Batten system is ideal when a minimal shadow line is needed.

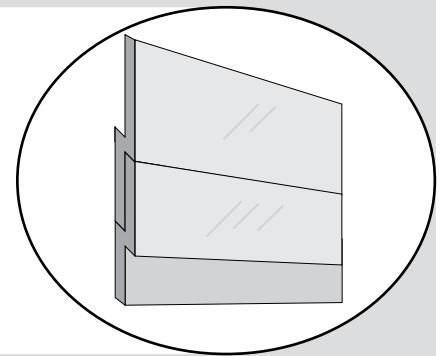

It allows an item to be mounted 5mm from the mounting wall.

The interlocking shoulders lock the item place securely allowing it to support heavy loads.

The LB Split Batten system can be cut to size and only requires one man for installation.

SignLink Split Batten LB

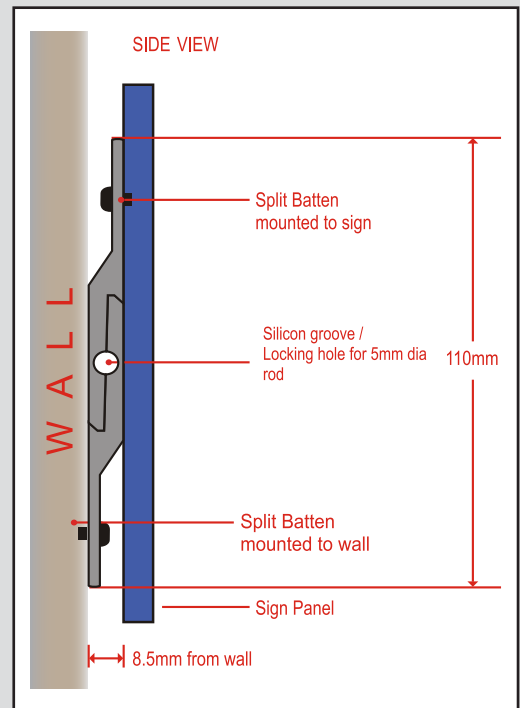

| Length | Finish | 1-9 | 10-49 | 50-99 | 100+ |
|------------------------------|--------------|--------------|---------|---------------|---------|
| 4800mm | Mill Finish | \$26.30 | \$22.50 | \$19.80 | \$16.30 |
| Lengths supplied cut to size | | | | | |
| 600mm | Mill Finish | \$5.00 each | | \$10.00 / set | |
| 1200mm | Mill Finish | \$8.00 each | | \$16.00 / set | |
| 1600mm | Mill Finish | \$10.00 each | | \$20.00 / set | |
| 2400mm | Mills Finish | \$14.50 each | | \$29.00 / set | |

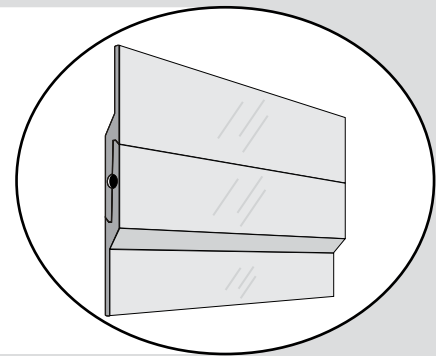

Please note: Full lengths of SignLink Split Battens can be cut into multiple sizes if requested at \$1.80 per cut.

Overview.

SignLink Aluminium HD Split Batten is perfect when a hanging system is required that requires security. The HD system can allow an item to be removable or to be permanently fixed. As all other SignLink Split Batten systems, the HD shoulders interlock together preventing movement when under load. The HD Split Batten is very robust which is ideal for indoor or outdoor environments.

SignLink Split Batten HD

| Length | Finish | 1-9 | 10-49 | 50+ |
|------------------------------|--------------|--------------|---------------|---------|
| 4800mm | Mill Finish | \$52.60 | \$46.30 | \$43.10 |
| Lengths supplied cut to size | | | | |
| 600mm | Mill Finish | \$8.00 each | \$16.00 / set | |
| 1200mm | Mill Finish | \$14.50 each | \$29.00 / set | |
| 1600mm | Mill Finish | \$19.00 each | \$38.00 / set | |
| 2400mm | Mills Finish | \$27.50 each | \$55.00 / set | |

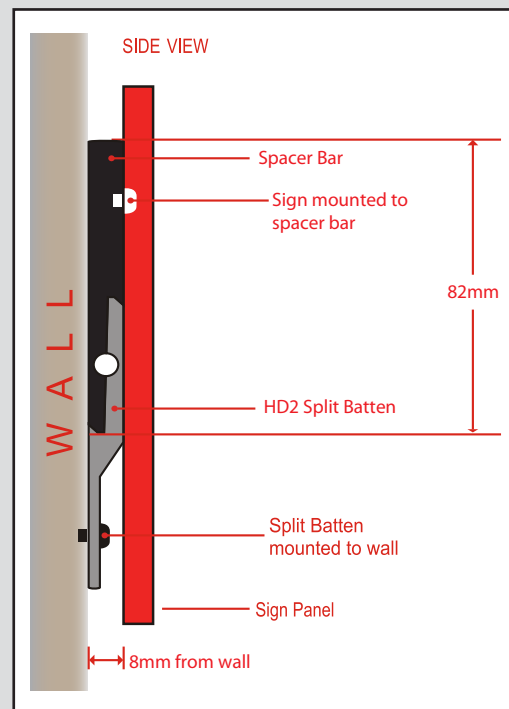

Please note: Full lengths of SignLink Split Battens can be cut into multiple sizes if requested at \$1.80 per cut.

Overview.

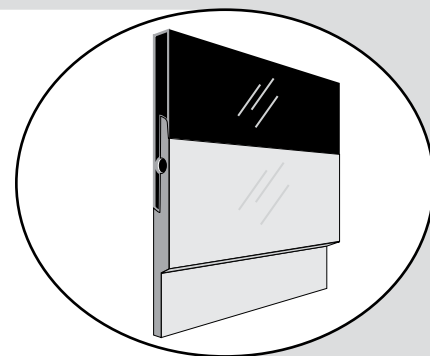

The SignLink aluminium HD-3 Split Batten system is designed as a 8mm shadow set spacing bar. From its side profile, the HD-3 conceals the fixing mechanisms, giving an architectural finish to the item being hung.

The interlocking shoulders lock the item in place securely allowing it to support heavy loads.

The HD-3 Split Batten system can be cut to size and only requires one man for installation.

SignLink Split Batten HD-3

| Length | Finish | Cost | Per LM | Cuts |
|--------|----------------------|---------------|-------------------------|----------------------|
| 4800mm | Satin Black Anodised | \$72.50 + gst | \$17.30/lm + cuts + gst | \$1.80 + gst per cut |

This Batten requires a length of HD Split Batten for the wall only. The HD-3 system is best used around the perimeter of the item, hiding any fixings on the side profile.

Please note: Full lengths of SignLink Split Battens can be cut into multiple sizes if requested at \$1.80 per cut.
