SIGNLINK SIGN SYSTEMS ABN: 15 003 503 428

Dear Customer

Please find enclosed a price list for our post and panel product range in knockdown kit form. Most sign companies these days are using 3mm thick composite aluminium material for sign faces which are ideally suited for mounting into our Hallmark frame. Hence we have decided to offer the Hallmark Post & Panel signs in knockdown kit form without faces. This will result in significantly reduced transport cost and is a more economical outcome for you. There is no cutting of extrusion required, simply assemble. Add the Hallmark panel price together with the pole price to arrive at the total. Delivery cost is to be added depending on location.

Kind Regards

David Polyblank

Managing Director
